

Rates are effective from the first pay period commencing on or after 1 July 2017

These rates of pay and allowances on this wage sheet are legally enforceable. In addition to these rates of pay the award makes provision for many other entitlements such as sick pay, holiday pay and loading, payment for public holidays, bereavement leave, crib allowance etc. If you are a financial union member you can obtain a full copy of the award detailing all of these provisions.

The CFMEU negotiates enterprise bargaining agreements (EBA's) which provide for much better wages and conditions of employment than that provided under the Award. A special CFMEU collective bargaining rates of pay sheet is also available from the union office which outlines the extra wage rates and allowances available under union agreements.

Industry and Tool allowances have been included in the total hourly rate.
