CFMEU COVID-19 UPDATE

QR CODE CHECK-IN ON CONSTRUCTION SITES

As of 12 July 2021, the NSW Government requires by law for everyone working on a construction site to check-in at the site via the site's QR Code to enter the site.

You can do this by:

- 📱 Using your own mobile phone to scan the QR Codes located on site.
- 📱 You can also seek the assistance of a supervisor or another person to check in using their phone if you do not have a phone.
- 📱 If you do not have a mobile phone on you, ask site personnel to complete the Site Check-in Form.

Every site must have a system in place to record your check-in and they must assist you checking-in.

Any further questions, CFMEU members can call the Union Counter Organiser on:

(02) 9749 0400

BE PAID UP AND PROUD AND 100% UNION.
